

# 36' Yard Ramp - 30' incline with 6' level off

Capacities 12, 16, 20, 25, & 30,000 lbs.

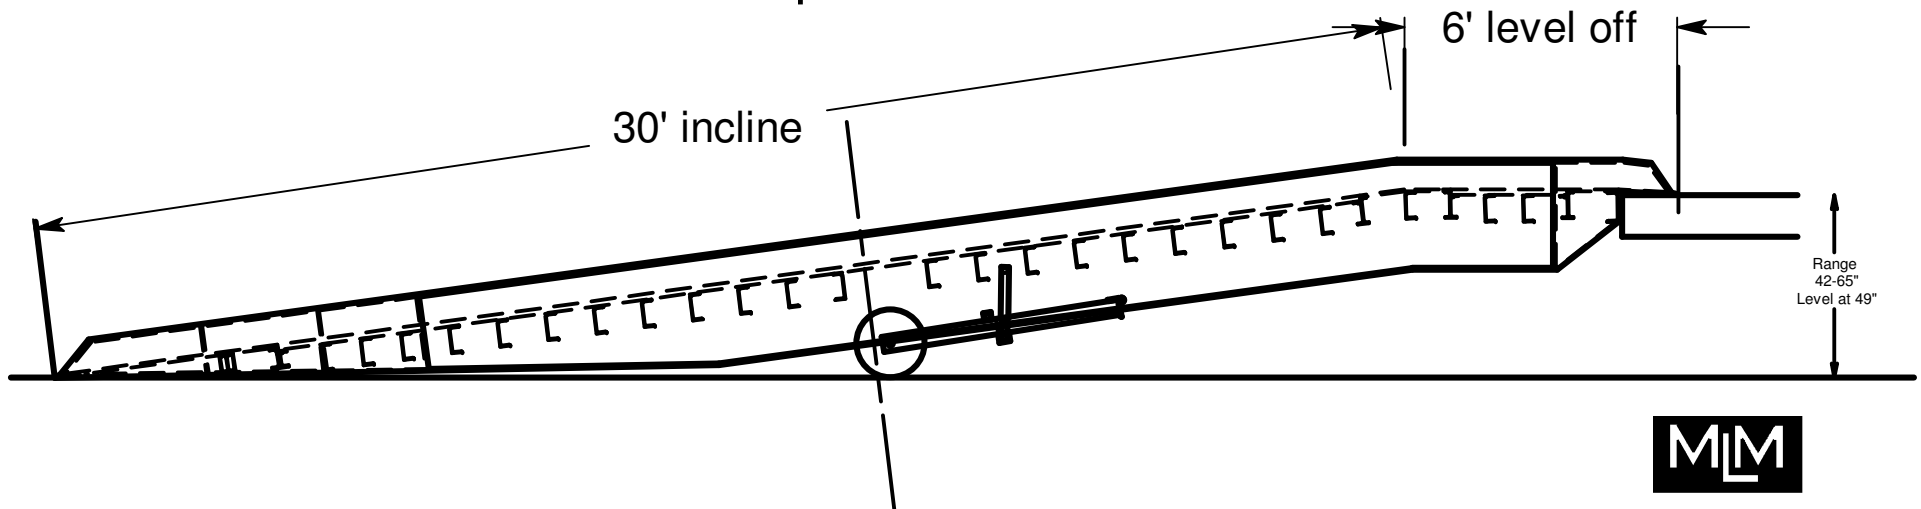

Standard Widths 60", 72", & 78" useable

Comes Standard with 18 x 5 Solid Rubber Tires

Includes Hydraulic Hand Pump for raising & lowering ramp

Light weight Aluminum Construction makes moving ramp extremely easy compared to Steel Ramps

Front end can be easily moved left or right to align with trailers much easier than Steel Ramps
